

Our Primary School in Pigłowice

CLASS 6B

Our school is small. It is located in Pigłowice near Zaniemyśl. There are: a gym, a canteen, an IT class, a language class, a playground and a sports field.

Every year we have a Christmas Eve supper in classes, we decorate Christmas tree, give presents one another. Teachers organize many competitions, for example: in art, singing, maths, English, Polish, sports.

On Children's Day we have a festival with a lot of attractions. Teachers and parents organize for us interesting trips.

MONIKA

We help poor and ill children and their families. We do a lot of different charity works.

The most important for us is **CHRISTMAS MARKET**. Every year, teachers, students and their parents make beautiful christmas decorations and sell them.
